PHOTO CONTEST.

What luck did you have with the snap shots that you took at Camp this summer?

Look over your pictures and send us copies of your best views and groups.

Some of the best cuts that have been used in Conference Pointers and in our printed matter in the past were camera snap shots.

Some of the best views we receive from the 1920 Camps will appear in later issues of Pointers and will also be used in the revision of the Tourascope film of the Older Boys' and Girls' Camp Conferences.

Just to stimulate competition, we are going to offer prizes for the best pictures. First prize, three years' subscription to Conference Pointers; second prize, two

years' subscription; third prize, one year's subscription. If you win, and have already subscribed, we will begin the subscription from the date your present subscription expires.

The contest will close January 1. Send your photographs at once.

Boy, page Raymond Ross, Frances Zinnel and Alvin Sandall. The Postmaster in each case informs us that the addresses can not be found. Will some kind friend be good enough to tip off the three above campers? Whenever a camper changes his or her address, notify us promptly. We want you to get Conference Pointers each month.

Kinji's Column.—Campers will hail with delight the Great Chief's column on the next page. Each month we hope to have a message from the chief on some phase of camp life or something of equal interest that he may want to present. It's up to the Great Chief. Be that as it may, anything Kinji writes we know will be the "real goods."

Send in your contributions for Conference Pointers. What is your Geneva Club doing—what are you doing personally: At work, or school, in your Sunday School and church, in your community? Have you a good story to tell; were you especially impressed with any particular thing that happened in camp—what's the news? Tell us about it. We want to pass it on.

College Campers, attention! A "College Number" of Pointers is on the way. Bob Abernethy will edit the number. Bob's address is "Robert Abernethy, Phi Gamma Delta House, Granville, Ohio."

Send your contributions for this number direct to Bob. Rush it along right away. Make it short and sweet. Tell about yourself and the Camp bunch at your college. We repeat, College Campers, attention! Make it a good one.

State Pride.—Look on the back cover of this issue. Locate your state. If you are at the head of your Class, clinch your place. If your state does not head the procession—well, what are you going to do about it? All old campers and leaders and workers interested in the Training Camp Conferences are eligible to subscribe. "Once in touch, always in touch." Get busy.

Change of Address.—Each time an address is changed, it means the making of a new address plate. Some campers change their places of residence two and three times a year. It is not strictly a case of "cheaper to move than pay rent." Many of our campers are in college and they first give their home address, then their college address, and at the close of the college term—home again, James. Of course, we want Pointers to go direct to you wherever you may be, and gladly make the change in address when the place of residence is changed. This is just a word of caution in the interest of economy, not to request change in address if you are simply going on a visit. Have your mail forwarded from home.

KINJI'S COLUMN.

We're off! And a mighty good start it is, too! We really hoped for big things, but our expectations were doubled in the operation of the new camps.

Seventy-seven boys, one hundred eleven girls, forty-four leaders—two hundred twenty-six registered, bona fide campers for the first year! It's a new mark in Sunday School Older Boy and Girl Training as well as a compelling, punch-pushing record.

In the Older Girls' Camp, we were full capacity. Not another girls could have been registered. We had to double leaders to make room for the guests at our last week-end. In the Boys' Camp, we had a margin of twenty-one, but were glad of the margin. We were almost crippled with success.

Compare the first session at Winnepesaukee with the first season at Conference Point—1920, with 1914. Thirty-nine boys, forty-seven girls, twenty-one leaders—a total of a hundred seven against two hundred twenty-six. A fraction over a hundred percent in increase. And what a gain in effectiveness! The first pioneer year at Conference Point on Lake Geneva was an experiment, a risk, a feeling of the

way. Nineteen hundred twenty at Winnepesaukee Point was a strong, confident, successful inauguration of the first, complete year of a four years' determined course. Every minute was according to blue-print.

And how they came! Pennsylvania, West Virginia, North Carolina, Kentucky, Ohio, New Jersey, New York with their over-quotas to be the guests of New England, Massachusetts, Maine, Rhode Island, Vermont, New Hampshire, Connecticut, reinforced by Prince Edward's Island. They came, made traditions, scored records, raised standards and determined forever the nature of the Winnepesaukee enterprise. Channels were cut, playgrounds mapped out, school rooms established, social ideals created, Sunday School enthusiasm and knowledge born, and history that looks forward instead of back, was made.

The growth of the Camp Conferences now rests on physical capacity. The present equipment is fully occupied in the Girls' Camp, a fraction of a margin still exists in the Boys' Camp. We face new equipment, buildings, tents, eating accommodations or reduced state quotas. Two seasons from now, it will mean four camps at each camp site instead of two. In the meantime, it demands less campers from any one state or new, extensive equipment.

Incidentally, the camper of last year who thinks of returning to the Camp Conference next summer, 1921, had better register before the places are pre-empted by the flood of new applications. This is as true of Conference Point as it is positively alarming at Winnepesaukee.

The Director's capacity to dream has increased with the stimulus of the past summer. "We march, we march to victory."

"MOTHER SHOGREN" REPLIES.

I read your little ditty, just a few days ago,
 And must say you're the finest bunch
 that I have ever known;
 Sweet sixteen to twenty-two, you are so
 full of "pep"
 Can anybody wonder that our Camp has
 got the "rep?"

I just love you all, my children, and you've
 made my life a joy.
 The thing that worries me is—you may
 steal some of my boys,
 But my heart just fills with gladness and
 I'm happy through each day,
 When I think of you, my children, who
 are living the "Jesus Wav."

—[Mother Shogren.

1920 State Standing

Trophy Contest

Following is the standing of the leading states in the State Contest. The shield is awarded to the delegation that makes the best score in the five points of the contest. These points are (a) Athletics and Aquatics (Athletic and Aquatic meets were not scheduled for the Girls' Camp); (b) Letters; (c) Pennants or Pillow Tops; (d) Notebooks. The award is made on the basis of individual achievement. The average of the group along the above four lines determines the winning delegation. The maximum credits total 4,000 points, or 1,000 each for Athletics and Aquatics, Letters, Notebooks and Awards.

PEP.

Vigor, vitality, vim and punch—that's
Pep!

The courage to act on a sudden hunch—
that's Pep!

The nerve to tackle the hardest thing,
With feet that climb and hands that
cling,
And a heart that never forgets to sing—
that's Pep!

Sand and grit in a concrete base—that's
Pep!

Friendly smile on an honest face—that's
Pep!

The spirit that helps when another's
down,

That knows how to scatter the blackest
frown,

That loves its neighbor and loves its
town—that's Pep!

To say "I will," for you know you can—
that's Pep!

To look for the best in every man—that's
Pep!

To meet each thundering knock-out
blow,

And come back with a laugh, because
you know

It's better than being what they call
"slow"—that's Pep!

WEAR THAT BUTTON.

It's just a little round white button,
with a cross of red in the center and
four little figures, a1, a9, a2 and another
1 below the cross. Yet is there a man,
woman, or child in the United States
who will not be proud to wear that sim-
ple little emblem this November, during
the Fourth Red Cross Roll Call?

Maybe you wear in your button hole
now a small pin which tells to the initiate
your fraternal organization. If so fas-
ten by its side on your coat lapel the
Red Cross Membership button for 1921,
a sign which says to your brother, your
neighbor, your friend:

"I am a member of the American
Red Cross in good standing. I have
paid my dues for the coming year. My
dollar has gone to help other dollars in
the great Health Campaign which the
Red Cross is waging against disease
and ignorance."

There is no factor of the enrollment
of members more helpful than the uni-
versal display of the Red Cross emblem.
When you pay your dues during the
Fourth Red Cross Roll Call, November
11-25, be sure that the worker that
takes your name and money provides
you with the 1921 button and then—
WEAR THAT BUTTON!
